<u>PRESENTATION OF 2007 CHARTER REVIEW COMMISSION CHARTER REVISION RECOMMENDATIONS.</u>

Ms. Karen Mayer, Chairperson of the Charter Review Commission stated the Charter Review Commission called meetings on January 11, 2007, February 1, 2007, February 8, 2007, February 22, 2207 and March 8, 2007 to discuss and review possible changes to the City of Aransas Pass City Charter. Ms. Mayer gave the following report:

The agendas and minutes of the meetings are on file with the City Secretary's office. The Commission's notification of request for Charter changes was published in the official newspaper, Aransas Pass Progress on January 17, 2007 and January 25, 2007. Each Charter Review member received the same information for each meeting.

The Commission received one set of comments from the general public from Mrs. Hope Comingore. Mrs. Comingore's recommendations were reviewed, discussed and included in the voting process.

The Commission voted on 81 proposed recommendations, which are marked as Exhibit A in the Council's packet. Out of 81 proposed recommendations, 37 recommendations were approved for the Council's consideration and are marked Exhibit B. The vote was For: 8, Against -0-. The Tabulation Sheet is marked as Exhibit C.

The Council will note that in the proposed recommendation (Exhibit B) there are some items that have more than one recommendation on the same Article and Section number. The meaning is the same but the wording is different. It will be the Council's decision on which proposed item to approve.

Also in the Council's packet is a supplementary item presented by the Vice Chairperson, Mr. Tom Hargrave for Council's consideration which is marked Exhibit D.

The recommendation to the City Council, by the Charter Review Commission is, in lieu of calling a Special Election; the Commission would request that the revisions be included in the next General Election, May 2008.

I would like to thank each member for their dedication during the last two months while we reviewed and discussed each Article and Section in the Charter. Thank you to Ms. Ada Owens, City Secretary for recording the minutes and making sure that each member received a packet before the meetings.

This ends the report of the Charter Review Commission and we stand adjourned.

Mayor Pro Tempore Knight thanked Ms. Mayer and the Charter Review Commission for their hard work.

The City Attorney stated the Council should set a workshop to discuss the proposed revisions.

Ms. Rosemary Vega, CEO of the Chamber of Commerce, stated the Chamber was requesting assistance from the Police and Public Works departments for the annual Shrimporee.

The City Manager stated there was no problem, the City had been assisting with the Shrimporee every year and the cost comes out of the Hotel/Motel tax revenues. He stated the City has also carried the Chamber as an additional insured for liability every year for the Shrimporee.

Council Member Attaway made the motion to approve the request of the Chamber of Commerce for the City to provide liability insurance and assistance from the Police and Public Works departments for the 2007 Shrimporee. Mayor Hametner seconded the motion and the motion carried unanimously.

ITEM 9. CITY MANAGER'S REPORT.

The City Manager stated a Special Council meeting needed to be scheduled for March 26, 2007 for the financial audit and Mark McLiney of Southwest Securities would explain the bond issue. There would also be a presentation regarding harbor leases. The consensus was to have a special meeting March 26.

The City Manager stated each Council Member had received a set of 18 applications for the position of City Manager and he asked that each Council Member read the applications and choose the three best applicants.

The City Manager stated there was a major problem with a 3 foot tin drainage pipe at the seawall. The pipe has caused a large sink hole and will cost approximately \$19,000.00 to repair.

Mayor Pro Tempore Knight asked could the City get help from the Drainage District?

The City Manager stated there was enough money left from the 2003 bond issue, that was used to build the Animal Control Facility, to repair the drainage pipe. He stated Mark McLiney at Southwest Securities told him the City could use the money for the repairs. He stated he would check with the Drainage District for assistance with the cost of the repairs.

The City Manager stated he had plans posted for improvements to City Hall. The improvements would consist of a 25 foot addition and much needed renovations to the present City Hall. He stated there was mold and mildew in the building and the building was very rundown. Visitors and investors did not get a good impression of the City from our City Hall. The improvements were not only for the city employees but for the citizens to be able to take pride in their City Hall. He stated a new City Hall was going to cost \$2.5M but expanding and renovating would cost between \$300,000 and \$500,000. He would have more information for the Council after the financial audit.
